CHAIRMEN FOR CRUSADE — Jack Durham, right, Cancer Crusade chairman for Lemon Grove, talks with actor Gregory Peck, 1964 California Cancer Crusade chairman, at the recent Crusade kick-off luncheon honoring Peck. The Crusade will extend through April. Peck urged volunteers to put cancer information into as many hands as possible by adopting a "nothing is too much trouble attitude" in their fight against the disease. The goal this year is $190,000.

Friday Is The Final Day For L. G. Cityhood Bid

SAN DIEGO (CNS) — The community of Lemon Grove has only until tomorrow to file its petitions to attempt to become a city. The Board of Supervisors unanimously Tuesday voted to give the incorporation movement no more extensions on its time limit for the circulation of petitions.

The original petitions were taken out on Sept. 18, 1963, and there was no limit on the time for the circulation but on Sept. 20 a new state law went into operation which limited the time to 120 days plus what extensions the Board of Supervisors will grant.

The Supervisors have already granted three 30-day extensions and after granting the last made it definite that it was the last extension. Tuesday, Frank Armstrong, chairman of the Committee for Incorporation, asked unsuccessfully for fifteen more days.

Armstrong said that his group has about the correct number of 2,000 names on petitions but that he thinks that about 250 to 300 are invalid names. He said the committee needs the extra time to replace the useless names.

Armstrong also said that he did not believe that the state law which went into operation on Sept. 20 governed his group's efforts as to time limit. County Counsel Bertram McLees ruled otherwise. McLees said that he believed that the law would apply although he admitted there was no case law and that the matter had not been settled on court.

McLees did say that Friday would be the deadline rather than Wednesday as would have been the case taking a Sept. 18 starting time.

Armstrong said that the committee lost about a month because of confusion over boundaries and more time because of the death of President John Kennedy. He said that this was probably the last time that Lemon Grove would ever have a chance to incorporate.

There are two groups which will file for exclusion should the election be called. One is in Vista La Mesa, an area about one mile square. The other is the American Homes section. Both areas are north of Freeway 94.

Public Schools Week Essay Contest Planned

Lemon Grove Schools plan varied activities for California Public Schools Week scheduled April 19 through 26. This observance, now in its forty-fifth year, has as its 1964 theme "The Public School . . . America's Future".

Golden Avenue school holds Open House on Thursday, April 23. Of special interest to patrons will be a demonstration of audio-visual materials used in the social studies program.

Monterey Heights plans a short PTA meeting on April 23 to be followed by open house. Special invitations to parents will be sent from each teacher through his class. Mount Vernon announces similar plans for the same evening.

San Altos held a curriculum presentation on April 9 last week. No other formal programs are scheduled for Public Schools Week. However, parents and other patrons are invited to visit classrooms at any time.

San Miguel school plans an open house throughout Wednesday, April 22, while Vista La Mesa offers open house ceremonies on Tuesday, April 21.

Palm and Lemon Grove Junior Highs announced that although no special program is planned, visitors are encouraged

School Deeds Kempf St. Strip To County Roads

No citizen appeared at the Lemon Grove school board meeting Tuesday in protest to dedication of school property along Kempf to the County road department for road widening purposes — however, none was expected. So the board adopted the resolution by which Kempf may soon be wide enough to handle the growing traffic. Road department rights-of-way men, meanwhile, reported that they expect to file five condemnation suits along Kempf st. in order to get the property needed for the widening.

The school board approved a 15-day leave for San Altos School Principal Douglas Giles to pursue his doctoral program at N. Texas U.

In other action the board agreed to employ the Paul Sterrenburg firm for auditing the district books. He has been employed similarly previously.

William Whitely, chairman of the Teachers' Salary Committee, made a presentation to the board which it took under advisement. The proposed schedule calls for an increase of 4.3 per cent. It will increase minimums $200 a year and maximums $400. The cost to the district would be $47,000 a year.

Finally, the Committee on School District Organization decided to explore the possibility of a district encompassing Santee as well as Lemon Grove, Spring Valley and La Mesa.

'Appreciation Days' To Start Here in May

"Appreciation Days", a weekly program in which local shoppers may win money as a result of shopping in Lemon Grove, is scheduled to start in May, it was announced here by Don Johns, chairman of the Merchants Division of the L.G. Chamber of Commerce.

Tickets will be issued with every purchase made here and a gigantic "door prize" type drawing will be conducted each week. Winners will be issued checks good for purchase of merchandise in the community, Johns said.

Forrest Baxter, newly elected president of the Chamber of Commerce, said the chamber "endorsed the project 100%". He asked that local merchants who want to participate in the project get in touch with the Chamber office at 469-9621. He said that the Chamber had obtained rights to the program exclusively in this trading area.

A representative of the Appreciation Days firm is presently circulating through the business community to line up participants, Baxter said.

Lemon Grove Visitor Collapses and Dies

Funeral services were held Tuesday for Carl W. Abbott, of 4695 Pomona, La Mesa, who collapsed while visiting the family of Thomas Baker in Lemon Grove. Members of the Lemon Grove Fire Department who responded said he was dead upon their arrival. Abbott was a metalsmith at N.A.S. Barker worked at N.A.S. as a machinist. The Sheriff's Department reported that Abbott had been under a doctor's care for an ailment of the heart.

Man Taken To Jail

Margaret C. Evans, 48, of 4257 Nabal st., Spring Valley, told sheriff's deputies that Glen Malcolm Hall, 48, a roomer in her house, beat her. Deputies Edward Redman and Buford Lane, responding to a 3:20 a.m.

Civil Service 'Sex' Problem Plagues Sups

SAN DIEGO (CNS) — The County Board of Supervisors decided Tuesday that it will not attempt to force the search for a third sex in an action to increase the Civil Service Commission from three members to five.

The measure will be placed on the June primary ballot as a charter amendment. The Commission has experienced difficulty in operation because of having only three members.

County Counsel Bertram McLees told the board that the present law governing the commission said that "no more than two members can be of the same sex".

He said this would have to be changed to "no more than four members be of the same sex" or that all reference to sex would have to be eliminated.

"Otherwise," he said, "you would have five members, no more than two who can be of the same sex and that might be difficult to resolve."

The board went along with the "no more than four" wording.

Permits Given Pony League

SAN DIEGO (CNS) — The County Planning Commission has approved the request of the Lemon Grove Pony League for a special use permit for the construction of a five-foot by eight-foot score board and a 10-foot by 16-foot concession stand.

The construction will be at the southeast portion of the baseball park which is located on a forty-foot road easement south of San Miguel near Jaynia.

The permit will expire along with the main permit for the field on October 1965.

In another Lemon Grove action, the commission granted Julia P. Howard a reduction in rear yard from 15 feet to six feet for an addition of a paint booth to the existing body shop of Spears Ford.

John Has-Ellison was granted reduction in lot minimum sizes from 6,000 square feet to 5,000 square feet at 3998 Violet st., Lemon Grove, and from 6,000 square feet to 5,200 at 7055 Hoffman st.

SHERIFF'S PERSONNEL — Secretary Norma Newhouse takes dictation from Sgt. Robert Ryan at the Lemon Grove sheriff's office at 3440 Main st. Office handles police matters in the Lemon Grove-Spring Valley area.

Sheriff's Office Here Provides Myriad Services For SV-LG People

By Max Goodwin

Where would you least expect to find a fountainhead of poetry? Not in the sheriff's office in Lemon Grove, you say? Don't bet on it. You'd lose.

Maybe the poetry won't win a Pulitzer prize — but it has the character and flavor of the County Sheriff's Lemon Grove office at 3440 Main st. The poem, it should be explained, is the emanation of a relief secretary who substituted recently for Mrs. Delbert Newhouse while she was on vacation. Mrs. Newhouse permanently presides at the Lemon Grove Sheriff's station as secretary and report-typist, telephone-and-radio answering clerk and office co-ordinator.

Recently, a relief secretary, Virginia Hinkle left this poetic message for Mrs. Newhouse when Mrs. Newhouse returned from her vacation:

TO NORMA
(with tea and sympathy)

Welcome back, Norma, to the familiar story
Of the Lemon Grove Sub in all its glory.

Type the morning reports with a rush and a flurry*
While Brownie murmurs, with one foot out the door, "don't hurry".
After he's gone, clean up the head
Mop up and scrub up, try not to see red.*
Fill up the coffee pot, attempt to make sense
7 packages gone equals 55c?
Dust off the desk, straighten a chair*
As the essence of stale butts sweetens the air
Pick up the lunch sacks, clean up the floor
Sweep the ashes and paper clips out the front door.*

Everything is settled, in walks Sgt. McKinzie
To work on his schedule of organized frenzy
Followed by Van Hooser and Sgt. Ryan
Everett, Whalen, Smith, Moore and Bryan
Who stand at the desk and in unison say
"I've a 'short' report I'd like to get to the D.A. today."*
Make room for 406 with a recovered bike
Listen — Take an APB coming over the mike.*

By now you're aware without the aid of this poem
Your vacation is over and you are back home.

(But really it's not so bad — I actually enjoyed it.
And I can't think of any place I'd rather be employed at.)

The Lemon Grove Sheriff's office is responsible to the El Cajon sub station under the command of Lt. L. C. "Bus" Earnest. All of the complaints in Lemon Grove are handled by the men, but Mrs. Newhouse, because she is there all day, is often the person with whom the public first has contact.

VETERAN OFFICER

Lt. Earnest, a veteran of 25 years with the Sheriff's office was formerly an officer with the La Mesa Police Department. The area of his responsibility extends from El Cajon to the San Diego city limit, and from Vista to the border as far east as El Centro.

In Lemon Grove an average of 12 men work from that office daily. They start their work day in El Cajon where they are given their assignments. There are also three prowl cars assigned to the area covered by the Lemon Grove office.

Henry Boney, Sup. Candidate, Sees Bright Future For County

There are gold mines in the future of residents of San Diego county, Henry Boney, candidate for supervisor of the second supervisorial district told the Lemon Grove Men's Club Friday.

He explained how three of these "mines" — tourism, harbor development and industrial growth — could spell prosperity for all residents in the years ahead.

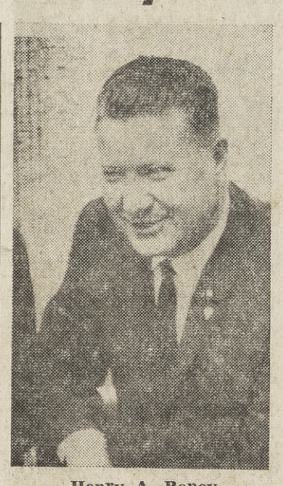

Boney was making the first political speech of his campaign and he promised he would make the County's advertising budget more effective in attracting tourists. He charged that $92,000 of the present $190,000 advertising budget is spend in Los Angeles and Arizona. "The rest is spent in San Diego County itself. We can't get the nation's tourists by advertising in our own backyard," he said. Boney explained that an increased tourist advertising budget would be paid for through increased tourists' sales taxes. "It won't cost the local taxpayer anything," he said.

"Tourism, which produced $228 million in San Diego in 1963, could be increased to $450 million to move ahead of Federal payroll and military payroll to become the second largest source of county income behind manufacturing," he said.

"Tourists' dollars are more valuable because we don't have to provide schools for tourists' children, and tourists do not need our welfare dollars. The entire county benefits by tourism," Boney said.

Industrial growth, like Mark Twain's weather, gathers a lot of conversation but nobody seems to be doing much about it, Boney said. He promised he would pursue vigorously the acquisition of new industry for the county if he is elected.

His third source of strengthened economy would come from a channel through the south bay. 10,000 additional acres of land could be produced by dredging these acres would be dedicated to industry. Establishment of harbor-side industrial plants would provide more jobs for San Diego residents. He foresaw $400 million new industrial income and $700 million in payrolls as a result of harbor development.

Henry A. Boney

"In all," he concluded, "I intend to bring to the board of supervisors a businessman's knowledge and experience. eW will want to see that our county's 98 million annual budget is spent to best benefit those who provide the taxes for it.

The Men's club will meet at the Horseshoe Tavern again this week, club president John Dail announced.

The program Friday will be provided by San Diego County Sheriff Sgt. Robert Ryan, chief of the Lemon Grove sheriff's office.

Ryan will discuss some of the cases he has worked on during the past few months as he pursued his duties locally.

The meeting will start at 12 noon and is open to all men in the community.

BUSINESS WOMEN — Five newly elected officers of the Business Women's League of Lemon Grove will be installed during ceremonies Sunday afternoon. Pictured with them is Mrs. J. H. Woody, left, installing officer. With Mrs. Woody from left to right are Mrs. Frank Ellis, vice president; Mrs. Emil Norman, corresponding secretary; Mrs. Erland Anderson, treasurer, Mrs. Lawson Willingham, recording secretary and Mrs. Alex Antonette, president. Mrs. Willingham is outgoing president. The 16th installation of the league will be held along with a dinner at the Elks' Club, 1400 E. Washington st., El Cajon. The ceremonies are to begin at 4:30.

Newspaper Presses— May They Run Smoothly

Last week the semi-weekly newspapers of the South Bay area missed their regular publication time by approximately one day because of condition beyond their control.

Every newspaper publisher fears, as much as anything else, the missed publication date.

When it happens (thank Heaven, it has never happened to us) it curdles the blood of every member of that publication.

Weeklies and semi-weeklies are particularly vulnerable because a Thursday publication has approximately two effective days to offer advertisers and the loss of one of those days would suggest that the publishers would want to refund to the advertisers of that issue about half of the charge for that week's advertising. Such a loss would be staggering.

Community events, keyed to specific distribution times, also suffer when the schedule is broken.

A newspaper's second class mailing privilege is rescinded by the post office when regular publication dates are broken over a considerably longer period.

So it was with regret that we learned that our neighbors to the south failed to meet their Wednesday night production schedule.

It is our wish that their own oil can of minimum difficulties may always be handy so that they may keep their presses running smoothly to better serve the people in the communities their publications represent.

Bobby Baker: Some Unanswered Questions

The six-to-three majority enjoyed by the Democrats on the Senate Rules Committee effectively clamped the lid on further investigations in the Bobby Baker case.

There are many questions American citizens are entitled to get answers to. Here are some:

What happened to the request for investigation called for by Rep. Oliver P. Bolton (R.-Ohio) regarding Baker's activities in granting a charter to the D.C. National Bank of Washington? Baker bought 1,500 shares of bank stock at cut-rate premarket prices and obtained a $125,000 unsecured loan with which to buy a plush home in an exclusive section of Washington.

What was Baker's role in overcoming the previously unsuccessful efforts of the bank to obtain a charter?

What's behind the failure of the Democratic-controlled Rules Committee to subpoena Baker's tax records?

"HE IS RISEN"

Now that Easter has come with the message, "He is Risen!" Can we simply wipe from our memories the horror of Good Friday? No! We better not. The death on the cross was and still is the payment for our sins. Easter, the Risen Christ validates the sacrifice on Calvary by presenting His blood before the Father as payment for our sins.

Girl Scout Chatter

By Mary D. Giacinto

Energetic, civic - minded Bernice Young feels it is an especial good time during National Library Week to imbue her Junior Cadet Troop 1771 with the spirit of helping in their own community. The Girl-scouts reviewed the book shelves at the Lemon Grove Library and felt that a more recent and adequate supply should be made available to the Girl Scouts in this area. Without hesitation they used money earned in their many projects (including cookie sales) to invest in books. They interested Charmaine Burton's troop 1640 in donating the Girl Scout leader handbooks, and Troop 18 under Mr. Bethel into donating Brownie handbooks.

Amid ceremony, flashbulbs and appreciative librarians, the cadets restocked the shelves at the Lemon Grove Library themselves. I'm all for Civic mindedness by everyone, not only by our Girl Scouts, their leaders and a few, but by everyone. Good example for the adults, girls. Keep it up.

All leaders are invited to a neighborhood meeting, Thursday, April 23, at our own Washington Park, Washington at Alton, L.G., at 9:30 a.m. The purpose is to re-awaken interest in both outdoor activity and cooking skills. There will be outdoor eating on Girl-scout style stoves. Bring your own utensils. Food supplied at a very, very nominal cost. Baby sitting services, too. See you there.

Karen Folmar, super cookie salesgirl, sorry your name was incorrectly spelled last week. Now you can clip this to your scrapbook, honey. Dynamic co-chairman's name Corrinne Kirkeby was also hard to recognize. Since the purpose of the "Chatter" is recognition for work well done, we are happy to present their names correctly.

SMITH SCHOLARSHIP AWARD TO BE ANNUAL

A scholarship fund for a graduate of one of the high schools of the Grossmont Union High School District will be offered each year in honor of Lewis F. Smith, district superintendent, who is retiring July 1 from the position. It will be formally announced and all the details concerning it explained at "Lew Smith Night", a dinner at 6:30 p.m., April 25, in the International Room of the El Cortez Hotel.

"Mr. Smith's twenty-two years of service to the youth of our communities could be no more appropriately marked than by continuing such service in the form of a scholarship for some young man or young woman to study further," said President John Hansen of Grossmont College, in speaking of the fund.

Smith early in the fifties saw the need for a junior college in the east county area and worked tirelessly with Parent Teacher Associations, citizens' groups, community organizations, and the board of education to form the Grossmont Junior College District, organize a college, and promote building a campus for it. The dream will come true in September when the college opens on its own campus in Fletcher Hills. Each year it will be able to offer to some student opportunity for further education, and in so doing will mark one of the achievements of Lewis F. Smith.

Guests from local schools and community groups will be joined by those from up and down the state and from the East at the dinner and program.

Reservations are available at 465-3131, ext. 224 until after April 16.

SHERIFF'S OFFICE . . .

(continued)

Lt. Earnest assigns three men for each of the three shifts, and a civil man and a sergeant to the task. These are in addition to coverage given directly from the Main st. office. This amounts to three men averaging one and one-half weeks and two men averaging two weeks. Plus three detectives, a juvenile officer, a sergeant, and Norma Newhouse. This, according to Lt. Earnest, totals 14½ man-weeks every week in the Lemon Grove office alone.

The Lemon Grove sheriff's station is only one of eight Sheriff Joe O'Connor operates in the County. It invites "walk-in business". It resembles a well-equipped insurance or bookkeeping firm with a chest high counter over which citizens are prone to make complaints, get information and otherwise be assisted by personnel of the office.

The man in charge is Sgt. Robert Ryan, a scholarly-appearing soft-spoken officer to whom Mrs. Newhouse looks when technical information is needed.

INTERESTING CROSS SECT

Mrs. Newhouse's day is from 7 a.m. to 4 p.m. daily except Saturday and Sunday.

As interesting a cross-section of local activities is registered through her as any other place you could find.

"There was the day last week when a little boy, not more than five years of age came in and asked 'Did you see a blue bird or a yellow bird walking by here?'"

Interrogation proved that the little fellow's parakeets had flown away. Mrs. Newhouse referred him to Deputy Claude Smith who also learned the boy didn't know his own address. So Deputy Smith and the lad took off in a patrol car to see if they could locate: 1. the boy's house; 2. the birds. The birds are still missing.

There was the time when men of the Lemon Grove station were successful in quickly recovering a stolen auto. The thief had managed to use the car to perpetrate a series of robberies in the county. The day after the car was returned to the owner, he visited the Main street office to ask Mrs. Newhouse to come outside to view his car's interior. It was dirty. The owner pointed angrily to the seats and said, "It was clean when they stole it. Now it's a mess. Clean it up!" Mrs. Newhouse remembering that she was a secretary — not a cleaner, referred him to the El Cajon sub station. The complainant drove away probably still convinced that the department is better at detective work than at auto cleaning.

ELEPHANT COMPLAINT

"I was typing reports for the men one day last year when the police radio blared a code 3 (patrol car wanted with lights and siren on) to aid a citizen an elephant was leaning on," she said with a twinkle. "It took about a minute for me to visualize the predicament. Then I called headquarters for verification and, sure enough, a citizen was being leaned on by an elephant."

A little community show was being held nearby, she explained, and an elephant the show featured had taken a dislike to the trainer. The elephant waited until she got the trainer between herself and the box car — and she leaned. A patrol car was dispatched to transport the slightly squashed man to the hospital. He recovered.

BABY-SITS

Mrs. Newhouse, who has two children and a grandchild, bends easily to some of the needs of the office. She baby-sits lost children (about two every month, and lost and found animals.) The men, under Ryan, have the responsibility of caring for lost and found people, animals and things, but, as Mrs. Newhouse points out, "there's sometimes a little time lag and someone has to fill that in."

She likes to recall the complaint of a local woman as being indicative of the citizen who waits too long to see the sheriff when a problem plagues him. "This woman demanded that the sheriff's office arrest her husband because 'he's been beating me'." The complaint was plainly marked with bruises.

"Has he ever done this before?" Norma asked.

"Fourteen years now," was the reply. "And I've had about enough."

PUBLIC SERVICE

The Lemon Grove office, and all of the offices and stations of the County Sheriff's office are at the disposal of the public. "We're public servants," Lt. Earnest said. "We want to aid anyone who needs police help. Even if it isn't within the sheriff's area of responsibility, we'll help in any emergency."

From the El Cajon sub station Lt. Earnest directs the activity of 71 people, all having the purpose of giving help and protection to east county citizens. He has 40 autos which patrol his district. His office is a skinned-down three because he believes that public protection comes easier with his men on the move.

"A call to our central switchboard downtown headquarters provides an instant contact with any of the offices or substations in the department. The number is 232-3811," he reminded.

Sgt. Ryan, who runs the Lemon Grove office, has a son who has a masters degree and is a teacher in Glendale. The boy will do his doctoral work at USC.

Sgt. Ryan gives considerable thought to students nearing the moment of decision in the choice of a profession. He said "police science classes are now given at junior and full colleges. Law enforcement has become a profession with a good future and youngsters should consider applying for a deputy sheriff's position. It will not be long before a degree will be necessary to become an executive in the department."

"A dedicated person is offered a career with an interesting and rewarding future," Lt. Earnest added.

Loot Is $40

Joe Bolen, a meat cutter who lives at 7847 Alton dr., Lemon Grove, told the Sheriff's Department last week that someone entered his house while he was at the dentists and took his strong box containing $40.

The box was later found by deputies hammered open in a field near his home.

Bad Check Issued Here

Smitty's Richfield Station at 8001 Broadway, Lemon Grove, reported to the Sheriff's office that a government check for $64.66 bearing the name of R. E. Storms, Pacific Beach, had been returned to the station by the bank. He told the sheriff's men the signature allegedly had been forged.

$32 In Change Taken

Wayne Tracy Austin, of 8209 Iderdell ln., Lemon Grove, reported to police that his car's glove compartment had been looted of coins for the second time this year. Five rolls of dimes and seven silver dollars were taken. The car was in his locked garage. The glove compartment was not locked, he said.

Sax Taken

The Conn alto saxophone belonging to Phyllis Gafford, of 2246 Debco dr., Lemon Grove, was taken from the instrument storage room at Mt. Miguel high school. No suspect was named and the loss amounted to $100.

Rocks In Tire Is Missile

Ruby Dell Nush, a housewife of 3240 Calavo dr., Casa de Oro, told sheriff's deputies that two youths had rolled a heavy tire filled with rocks down the hill into the side of her house.

Police estimated the missile to weigh more than 80 pounds. Mrs. Nuss said she could identify the youth.

Car Loses Parts

A thief in the night lifted the hood of the '59 Chevy belonging to Thomas Lee Hamecher, of 10012 Norte Mesa, Casa de Oro, and made off with the air filter and carburetor. The car was parked in front of the victim's house. He set his loss at $60.

The DIMMER VIEW

(Continued)

What about the refusal of the Democrats on the committee to explore Baker's handling of campaign funds raised for Democratic Senators?

What about the charges that Washington pressure was used on national advertisers to purchase time on Johnson-owned stations in Texas?

What about Baker's alleged involvement with an abortion ring?

What about Baker's connections with Las Vegas and Caribbean gambling interests?

What about the illegal use by Baker of government facilities and employes for his personal enrichment?

What about the Democrats' refusal to call former Baker employes to testify about his activities, including several who had indicated willingness to testify?

Why wasn't Matthew McCloskey, former Democratic National Committee Treasurer, called to explain an alleged $4,000 "kickback" to Baker for arranging a performance bond when McCloskey landed the lucrative D.C. Stadium contract?

The answer to these and other questions are being sought for public dissemination by officials of the Republican Congressional Committee Newsletter through the effort of Sen. J. J. Williams, R.-Delaware who originally sparked the Baker probe. But Sen. Williams, we predict, will be no more successful than other Republican probers.

Bobby Baker: The Protege Who Wasn't

The Senate hearings in Washington on the Bobby Baker case are over. Amid denials of relationship and protestation of political muckraking, some facts are already on the record. These set the official relationship:

"I know I should refer to him (Bobby Baker) formally as Secretary to the Majority, but my tongue, even as my heart, says 'Bobby' instead . . . Always present, always alert, and more than anything else, always understanding and persuasive with his wise counsel. I say to all of you here tonight that here, indeed, is a young man of rare and real promise." Lyndon B. Johnson, Senate floor speech, July 27, 1956.

"He (Bobby Baker is a man who truly serves his country, and I consider him one of my most trusted, most loyal, and most competent friends." Lyndon B. Johnson, Senate floor speech, August 30, 1957.

". . . Bobby Baker, the Secretary of the Majority, a young man who has that rare gift of getting things done with a minimum of time and a maximum of efficiency. I like to refer to Bobby Baker as Lyndon Junior, an accolade he well deserves." — Sen. Alan Bible (D. of Nev.) in a tribute to then Senate Majority Leader Johnson, August 23, 1958.

"Baker (Bobby Baker) is my strong right arm, the last man I see at night, the first one I see in the morning." Lyndon B. Johnson, Rocky Bottom, S.C., during 1960 Vice-Presidential campaign.

And finally —

"Bobby Baker is . . . no protege of anyone." President Lyndon B. Johnson, TV interview, March 15, 1964.

Donovan Challenges Gov. Brown On School Building Program

Assemblyman Richard J. Donovan of this district charged this week that the governor is jeopardizing the state school construction program by insisting that the proposed $260-million State School Building Aid bond be placed on the November ballot instead of the June primary. "Time is critical, and this five-month postponement will bring school construction to a grinding halt, forcing additional double sessions upon the school children of California," Donovan warned.

"The program has already run out of money for supporting the additional applications now being submitted, and a stringent priority system will have to be imposed immediately in the fact of the governor's determination to postpone the issue until November," Donovan added. "No more applications can be approved, except tentatively, for the eight-month period which will elapse before the bond issue can be certified, if passed. In October there will be no more money to support the schedule of construction which has already been approved, and school districts which have been relying on this program will have to shelve their construction plans."

In San Diego County, $2.25 million in school district projects had been approved but not appropriated as of March 1, including $78,714 for the South Bay Union District. Pending approval, as of March 10, was a $2,768,868 school building application from Grossmont Union High District. The State Allocation Board, which administers these bond funds, has already stopped allocating funds to school districts prepared to begin with immediate construction of class rooms and other needed educational facilities.

Donovan challenged the governor to "at least propose some means of carrying the program forward, uninterrupted, if he is going to insist on the November ballot. There is the possibility that some schools will face extreme hardships with programs being delayed in 44 of our 58 counties."

"In 1962, this program was in better shape than now; and the governor fought tooth and nail to get the bond issue on the June ballot. The same crushing effect he cited then, doesn't seem to concern him now. Our school children will have to suffer his caprice."

A GUIDE TO GREATER SAVINGS -- THRU LOCAL SHOPPING

South Pacific Is Challenge Students Say

Why would anyone want to have a role in such a strenuous musical as "South Pacific"? According to the students playing the lead roles, it was the challenge of the production.

Suzi Bjerstrom reminisced, "I saw the musical when it was playing at Circle Arts Theatre. Nellie seemed so real to me that I kept seeing myself in her role. So," she added, "when the opportunity same, I jumped at the chance to play the part".

The son of Mr. and Mrs. Earl R. Briggs of 416 Hotz, Spring Valley, Reuel Briggs has the male lead in the musical. Since he plans a future in vocal music, dark-eyed Reuel felt that the part of Emile, the French planter, fit his baritone voice better than any of the others.

Donna McClean, who plays Liat, wanted the role because Liat dances. "What could be more natural," she smiled, "than a part like this for a girl who's been in Modern Dance for four years?"

Mark Evans is Lt. Cable. He is the son of Jack Evans of 3020 Dendevoo Road in Lemon Grove.

Tickets for the four performances can be obtained by calling the school. Adult tickets are $1.10 for all performances; 75 cents in the special price for students for the Wednesday evening performance.

SWIM SHOW — Margaret Osterberg, 16, of 7621 Circle dr., Lemon Grove, is one of 17 Lemon Grove girls who will participate in Rosary High School's Fourth Annual Swim Show. The show will be at 8 p.m. on Friday and Saturday, April 17 and 18, at OceanHouse in Mission Bay. Tickets are $1 for adults and 50 cents for children and are available at the school or at the door before the show. Included in the show are Karen Anderson, Valerie Daellenbach, Eileen Dixon, Susan Elliot, Dolores Feld, Kay Gietzen, Denice Hall, Mary Kay Jegers, Jacqueline Jones, Patti Pattitucci, Mary Pipes, Margaret Pyratel, Sherry Siemasz, Chris Sievers, Marian Spencer and Barbara Zakulec. The entire cast totals more than 200.

The clothes were all made by the girls as part of their classroom work. Several Miguel boys will also assist in the event. There's A Big, Big Difference In DISCOUNT Shopping!!!!!!

DISCOVER THE DIFFERENCE IN MEATS!!!

The quality of meat is reflected in the official government grading it has been given. Meats of superior quality are graded and stamped "U.S.D.A. Choice." Markets handling grades of meat not good enough to be given this grade make a practice of coining names for the grades they sell.

Be warned — these names clearly indicate the meat is not government-graded "U.S.D.A. Choice"! Bradshaw's sells "U.S.D.A. Choice" beef exclusively. And Bradshaw's is the only discount super-market in San Diego that does sell "U.S.D.A. Choice" exclusively.
